

The Professional Touch® Hot-Fix Applicator

- Great for personalising jeans, shoes, purses and other accessories. Create your own cards. Add a sparkle to items such as boxes, clocks and lampshades.
- 8 precision tips included - 2, 3, 4, 5, 6 and 7 mm and 4 mm and 9 mm flat tips
- Cleaning brush included
- Fitted with UK plug
- Integrated on-off switch which lights up when on
- Does not require a support-stand - the perfectly balanced handle will not roll or slide when put down
- Has the shortest exposed barrel available, allowing more precision as you can work more closely
- Handle ergonomically designed to minimize hand fatigue with an improved rubberized grip for comfort

Easy to Use:

- Pick up the hot-fix crystal with the tip
- Wait a few seconds while the Professional Touch® hot-fix applicator melts the glue on the crystal
- Then just lightly touch the fabric with the glue end of the crystal to apply it just where you want it
