Material :

- Athos® par Puca® bezelled as in the Component Tutorial : you'll need : 7 Athos - 8 Grs Delicas 11/0 (DB11) - Seed bead R15/0 (R15)
- 14 Seed bead 8/0 (R8) or Demi-Round 8/0
- 1 Chain 45 cm - 2 rings and a lobster clasp - Fireline 0.12

Puca®

1) Set your 7 Athos (check special pattern «Component Athos»)

2) Thread until the step n°9 ☺

3) Exit your thread like picture, pick up 1 R8 and pass through one link, in the middle of your chain

4) Place your thread into the 4th DB, pick up 1 R8 and link to your chain

5) Place your 7 elements with a distance of 15 mm ☺ Then place your clasp, rings and lobster clasp.

6) Minimalist version with only one Athos, very chic ☺ A good idea !

7) Congratulations you have finished
your necklace « Adonis »

Happy beading!
