### Materials :

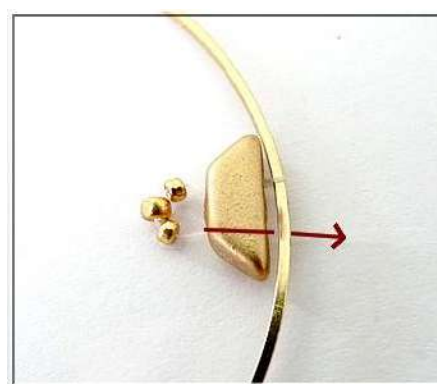

- 14 Samos® par Puca®
- 14 Tinos® par Puca®
- 14 Bicone 4mm (B4)
- Seed beads 15/0 (SB15)
- Seed beads 11/0 (SB11)
- 1 Circle connector 50 mm
- 14 SuperDuo (SD)
- 14 MiniDuo (MD)
- 2 jump rings 0,4 mm
- 1 Bail
- Chain
- Fireline 0.12

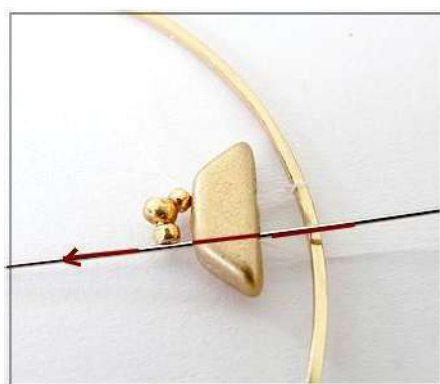

1) Make a double knot on your circle connector.

2) Add 1Tinos.

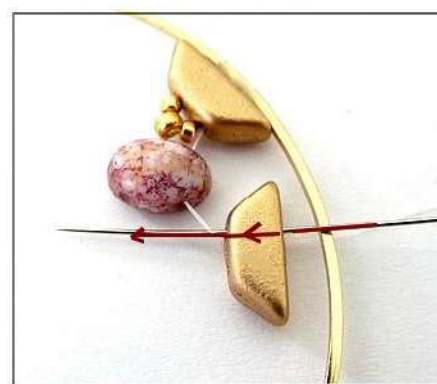

3) Add 1 SB15 + 1 SB11 + 1 SB15, pass through the Tinos (2<sup>nd</sup> hole) and under the circle.

4) Pass over your circle and go through the Tinos (same hole).

5) Add 1 Samos + 1 Tinos and pass under the circle.

6) Go over your circle and go back in the Tinos (same hole).

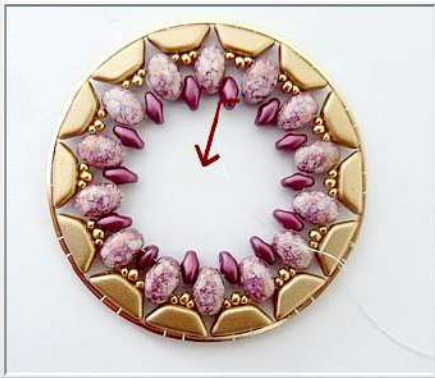

7) Repeat steps from 2 to 6 all the way.

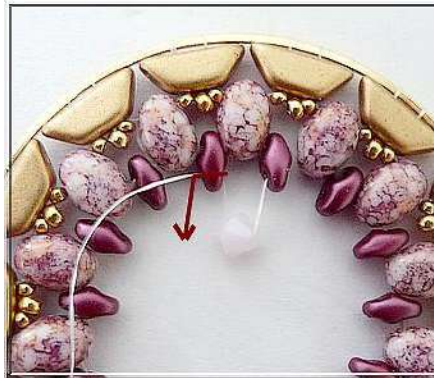

8) You should now have this. Exit the thread through the 2<sup>nd</sup> hole of Samos, like in the picture.

9) Add 1 SD between each Samos.

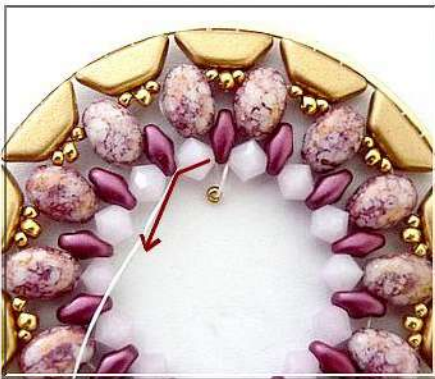

10) You should now have this. Exit the thread through the 2<sup>nd</sup> hole of SD.

11) Add 1 B4 between each SD.

12) You should now have this. Exit the thread through the B4.

13) Add 1 SB15 between each B4.

14) You should now have this. Exit the thread through the SB15.

15) Between each SB15 add 1 SB15 + 1 SB11 + 1 SB15.

16) You should now have this. Exit the thread through the SB11.

17) Add 1 MD between each SB11.

18) You should now have this. Exit the thread through the MD (2<sup>nd</sup> hole).

19) Pass through all MD's, tighten and cut the thread.

20) Add your bail and you have finished. Congratulations!

21) The "Barbara" pendant "Barbara" can be made in several colors. Here was made in Opaque Green Splash.

Happy beading!
