- *The first step in making the earring is choosing a thread of the appropriate length, recommended to be approximately 1.15 m. After inserting the thread into the needle, work begins from the point indicated by the purple arrow.*

1

- *The black dot indicates where you started. After you put the 3 beads on the needle, tie a knot and insert the needle into the cabochon. See the purple arrow! Pass the needle through the 2 gold beads, skipping the turquoise one. Pass through the cabochon again and through the gold beads, skipping the turquoise one.*

2

- *This is what our beads should look like.*

3

- *\* With these beads on the needle you enter the next group and exit through the turquoise Toho bead*

- 1 Toho Round 11/0
- 1 Samos

- *Insert 1 Miyuki RR 8/0 onto the needle, pass through the cabochon and pick up the 3 beads from the end of the cabochon. Return with the needle through the second hole of the cabochon keeping the 3 beads in the head.*

5

- *Repeat the steps as for the previous cabochon. Pass through the gold beads at the ends, skipping over the turquoise Toho.*
- *After you have exited the cabochon, take 1 Miyuki RR 8/0 on the needle. Pass the needle through the turquoise Toho bead, the gold Miyuki RR 8/0 and enter the cabochon.*

6

- Follow the same steps as for the previous cabochon
- Insert the needle into the group of 3 beads at the end of the cabochon. For better reinforcement and stability, go back through the cabochon, passing through the 3 beads at the other end. Return and exit the needle through the Toho turquoise. See the arrows!

10

- *After you put on the last cabochon, pass the needle through the group of 3 beads at its end and through the cabochon, coming out immediately after it.*

11

- *Insert a Toho Round 11/0 between the cabochon and the Samos*

12

- With 4 Miyuki RR 15/0 you enter the Toho Round 11/0 between the 2 Samos beads.
- Bring the needle out immediately after it and pass through the first Miyuki RR 15/0 bead, the turquoise one.

13

14

- *With 4 Miyuki RR 15/0 on the needle, pass through the Miyuki RR 8/0 between the 2 Samos and exit through the first 2 Miyuki RR 15/0 beads.*

15

- *Because you went through the first 2 beads, you only need 2 Miyuki RR 15/0 beads on the needle.*

16

17

18

3 Miyuki RR 15/0

- *Insert a Toho Round 11/0 between the Samos and the cabochon. Thread the needle through the turquoise Toho bead at the end of the cabochon.*

19

- *Take on the needle 2 Miyuki RR 15/0 beads and 1 Toho Round 11/0 and insert them between the turquoise Toho and the Samos*

20

- *Repeat the steps as for the previous cabochon*

21

4 Miyuki RR 15/0

3 Miyuki RR 15/0

23

24

- *At the end of the cabochon, you have come out with the needle in Samos. There insert between Samos and the turquoise Toho bead 1 Toho Round 11/0 and 2 Miyuki RR 15/0. thread with the needle as shown by the green arrow.*
- *Continue working on the Samos beads as you did on the previous cabochon (see the purple markings).*

25

- String the 2 Miyuki RR 8/0 beads (see purple arrow) with 8 Miyuki RR 15/0 beads. Thread the needle immediately after the one in the middle of the Samos group.

26

- With 8 Miyuki RR 15/0 beads on the needle, string the 2 Miyuki RR 8/0 beads (see purple arrow)
- Exit with the needle following the green arrow.

27

- Take on the needle 1 Miyuki RR 15/0 and 3 Toho Round 11/0. Insert them between the cabochon and the turquoise Toho bead, thus covering the gold Miyuki bead. thread the needle as shown by the green arrow

30

31

32

- *Take on the needle 4 Miyuki RR 15/0 beads. Insert them between the cabochon and the turquoise Toho bead, thus covering the gold Miyuki bead. Pass the needle after the first Miyuki RR 15/0. See the arrow!*

33

- To add the earring hook, pick up 1 Toho Round 11/0, the hook and another 1 Toho Round 11/0. Insert the needle through the gold Toho next to the turquoise one, pass through the turquoise one, and exit through the Miyuki RR 15/0.
- For reinforcement and stability of the earring hook, pass through the hook and the beads marked in purple once more.
- After repeating these steps, bring the needle out onto the next Samos, after the first Miyuki RR 15/0.

34

- *Take on the needle: 1 Toho Demi Round 11/0, 1 Toho Round 8/0 and 1 Toho Demi Round 11/0. Insert these 3 beads between the 2 Miyuki RR 15/0 beads, marked in purple. Thread the needle to the next Samos, after the first Miyuki RR 15/0 bead.*

35

- *Insert this group of beads into all the places marked by the arrows.*

36

- *After you have inserted the last group of beads, pass the needle through the Samos, the gold Toho and come out after the first Miyuki RR 15/0.*
- *See the green arrow!*

- **Attention!** The picture is taken on the back of the earring!
- You go back with the needle through the crystal, Miyuki RR 8/0 and the Toho Round 11/0 bead, keeping the 3 Toho Round 11/0 as a finish for the earring.
- See the arrow!

39

- *Let's go back to the earrings face!*
- *Take on needle 1 Miyuki RR 15/0. Insert the needle into the group of beads that connect to the cabochon. See purple arrow! thread the needle onto the next Samos after the first Miyuki RR 15/0.*
- *See green arrow!*

40

41

- *After inserting the last group of beads, pass the needle through the cabochon and all the marked beads. Pass the needle after the Toho Round 11/0 bead that supports the hook.*

42

- *To make the hook stable, insert a Toho Demi Round 11/0 between the 2 gold Toho beads. This was the last step in making the earring.*
- *You can continue weaving the earring for reinforcement as long as the thread allows.*
