1) Picture of the material

2) Pick up 1 wire guardian on the 1st hole of the spacer bar

3) Add your beading wire like picture

4) Place your 2 beading wires into 1 crimp bead. Crush the crimp bead

5) Place 1 crimp cover on your crimp bead

6) Close the crimp cover

7) Pick up on the 2 beading wires 1 Konos, 1 Baros, 1 Konos, 1 R15. We work now only with one beading wire

8) Pick up 1 Konos, 1 Baros, 1 Konos, 1 R15, repeat for the length of the pattern until you have used a total of 26 Konos and 16 Baros

9) Repeat steps 2 to 6 to close your first row. Cut the single beading wire

10) Repeat all steps to bead your 3 rows

11) Place 1 split ring on one spacer bar

12) Place 1 ring and one lobster clasp on the other spacer bar

13) You can twist your bracelet to give another style

14) Congratulations! You have finished your K'Line bracelet !

Happy beading!
