Center Tip

Explanation of the holes 😊

1) Pick up 1 SB11, 1 Paros central hole and 1 Paros tip hole

2) Repeat 5 times step 1 for each color and close

3) Here is the result 😊
Come and exit HERE through the Paros (top hole)

4) Pick up 1 SB11 between the Paros

5) Pick up 1 SB15. Repeat steps 4 and 5 alternately across the row

6) Here is the result 😊
Come and exit HERE through the central SB11

7) Pick up 1 SB11, 1 Cymbal or 1 jump ring, 1 SB11 through the same SB11. Consolidate. End your thread

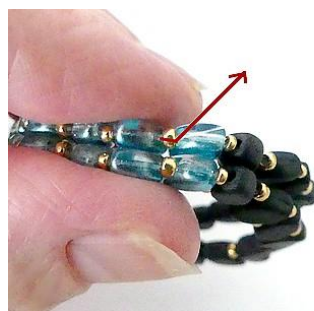

8) Here is the result 😊

9) Make a second element without step 7

10) Place the two elements on top of each other (pay attention to the colors)

11) Come and exit HERE through the 1 SB11

12) Pick up 1 SB11 through the SB11 to join the two elements

13) Pick up 1 SB11 and exit HERE through the SB15

14) Repeat steps 12 and 13 respecting SB11 and SB15. Do the whole row except at the Cymbal level (next step)

15) Come and exit HERE through the SB11

16) Insert 1 SB11 through the Cymbal HERE

17) Insert 1 SB11 through the SB11 of your element and solidify. Continue to assemble for all the row

18) Here is the result 😊 Exit HERE through the SB11 in the inside

19) Pick up 3 SB15, 1 B3, 3 SB15 in the next R11 of your element. Repeat for the length of the pattern

20) Here is the result 😊 Exit HERE through the B3

21) Turn work over. Pick up 3 SB15 through the SB11 to assemble

22) Repeat the steps for the entire row.
End your thread 😊

23) Insert the earwire with jump ring into the Cymbal

24) You can bead the second earring 😊

I wish you a happy beading. I offer you this pattern.
