Material for a 17 cm bracelet

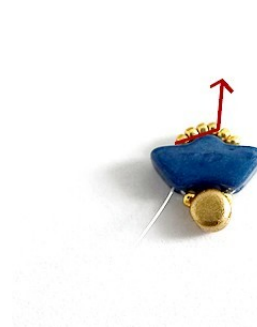

- 14 Delos® par Puca®
- 7 Kalos® par Puca®
- Seed beads 15/0 (R15), 11/0 (R11), 8/0 (R8)
- 8 x 5mm rings
- 1 lobster clasp
- Fireline 0.12

1) Pick up 1 Delos, 6 R15 and pass through 3rd hole of Delos

2) Pick up 1 R15, 1 Kalos, 1 R15 and pass through 1st hole of Delos

3) Pass through the 4 R15

4) Pick up 1 R15, 1 R8, 1 R15 and exit through the 2 central R15

5) Pass through 2R15, 3rd hole of Delos, R15, 1st hole and then 2nd hole of kalos

6) Pick up 1 R15, 1 Delos

7) Pick up 6 R15, exit through 3rd hole of Delos

8) Pick up 1 R15, pass through 2nd hole of Kalos, 1st hole of Delos and 4 R15

9) Repeat step 4, and pass through 2 R15, 3rd hole of Delos and central R15

10) Pick up 1 R11, pass through R15 and 1st hole of Delos

11) Pass through 6R15, 3rd hole of Delos, R15, pick up 1 R11 and exit through R15, 3rd hole of Delos, 6R15

12) You'll now have this, this is the 1st element

13) Bead a total of 7 elements to make a 17cm bracelet

14) Put a ring between each element and a clasp between the 2 last one

15) You'll now have this. You have finished your bracelet. You can bead this element to make a necklace or earrings, it's your turn!

Happy beading!
