'uca® (

SM3)

1) Pick up 48 DB11

2) Make 5 ranks in Peyote with DB 11

3) Make 2 ranks with R15

4) Make 1 rank with R15 passing through the 3 R15

5) We have this ☺

6) Place the cabochon 18 mm and exit thread through the DB

7) Make 2 ranks with R15

8) Make 1 rank with R15 like step 4

9) We have this ☺

<p>10) Pick up 1 DB 11 on the 2nd rank of DB, then pass through the 3 DB like picture, finish the rank like this</p>	<p>11) Pick up 2 Paros (central hole and tip hole) between the DB</p>	<p>12) Pick up 1R15, 1RA3, 1R15 like picture. Be careful 4 RA3 from one side and 6 from the other ☺ and 2 x 2 Paros</p>

<p>13) Pick up 1R11 between the 2 Paros, make the same for the 2 other Paros</p>	<p>14) Pick up 3 R15 into the R11 on the Paros, repeat for the 2 other Paros</p>	<p>15) We have this ☺ Repeat steps 1 to 14 for a 2nd Cabochon 18mm</p>

<p>16) For the 25mm Cabochon, pick up 48 DB 10, make 5 ranks in Peyote, 2 ranks with DB 11 and 1 rank with R15</p>	<p>17) Make 1 rank with R15 like step 4 Exit through the DB 10 2nd rank</p>	<p>18) Pick up 1 DB 10, pass through 3 DB like step 10, finish the rank like this ☺</p>

19) Exit through the DB 10

20) Pick up 1 R15, 1RA3, 1 R15, then 2 Paros (central hole and tip hole)

21) Alternate RA3 and Paros to finish. We have this 😊

22) Exit through the DB 10 and pick up 1 R11, 1SM down hole, 1 R11

23) Pick up 5 DB 11 Repeat steps 22 and 23 by alternation.

24) We have this 😊 Exit through the SM top hole

25) Pick up 1R15 into the DB 11

26) Pick up 1 R15 into the top of SM

27) Exit through the central DB 11

28) Make step 25	29) Make step 26 😊 Do the same to end the rank	30) We have this 😊 Place for the R15 = red point
------------------	---	---

		
31) Pick up 1R11 between the Paros for the whole rank	32) Pick up 3 R15 between the R11, the same for the whole rank 😊	33) Put together the elements with 2 PR4 between the 2 R15 and centrale R11, pass through several time to tighten

		
34) Here is your finished plastron 😊	35) For the necklace, exit through the R15 near the central R11, pick up alternately PR4 and RA6	36) To the opposite, pick up 1 R11, 1 R8, 1R11 and pass through all the beads again

		
---	---	---

37) Exit through the 3 R15 to the opposite of step 35	38) Exit through the Paros, pick up 1 R15, pass through the Paros and all the seed beads to tighten your work	39) Pass again through all the beads of the necklace, repeat step 38 and pass through all the beads again to consolidate. Cut your thread 😊
---	---	---

40) Place your clasp with 2 rings in the R8. 😊

Happy beading!
