

Nebula Necklace by Cecil Rodriguez

DIAMONDTM
DUO
Mini

Materials Needed:

**12MM ROUND COTTON
BEAD MONTANA BLUE
PEARL**
PRODUCT#: BH2065-12-MO

Apx. 9 pcs.

**DIAMONDTM MINI 2-
HOLE BEAD 4X6MM
PRISMATIC PEACOCK - 25
GRAM BAG (APX 325 PCS)**
PRODUCT#: DD/P28102BL/46

Apx. 42 pcs.

**ZOLIDUO BEAD 5X8MM
RIGHT SIDE CRYSTAL
ETCHING VITRIL
(300PC)**
PRODUCT#: RZD/E28101/58

Apx. 84 pcs.

**BEADALON WILDFIRE
.006 INCH BLACK 50YD**
PRODUCT#: 161T-008

Apx. 84"

**1 INCH 24G(0.50MM) EYE
PIN STERLING SILVER
.925 100PCS**
PRODUCT#: SSPN3002/24G/100

Apx. 9 pcs.

**5MM BEADED RONDELL
BALI STYLE STERLING
SILVER 50PCS**
PRODUCT#: SSCD3562/5

Apx. 18 pcs.

**2MM STEEL CABLE CHAIN
BLACK FINISH -
20MTR(65FT) SPOOL**
PRODUCT#: CC/250/BN

Apx. 80"

**BEADALON 18G JUMP
RING ID 1/8 INCH BLACK
180PCS**
PRODUCT#: A314-18-02-04

Apx. 20 pcs.

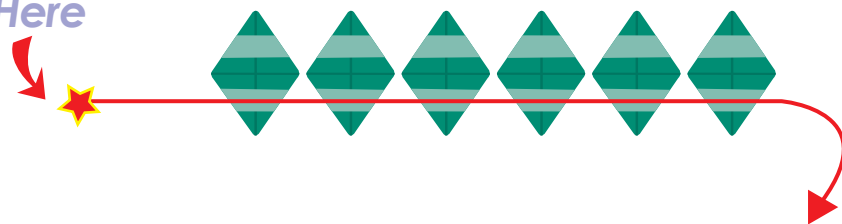

**11/0 JET OPAQUE
STRUNG CZECH SEED
BEADS**
PRODUCT#: SBJ0111/0

Apx. 252 pcs.

STEP 1

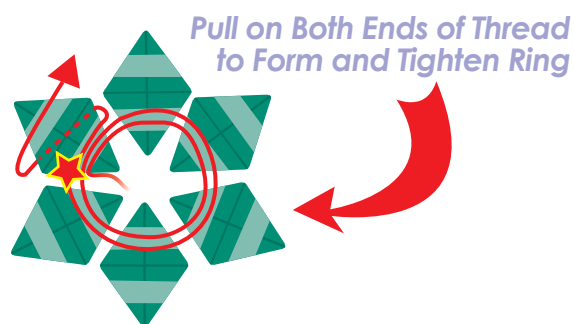

1) Using a 24" length of thread, add 6 DM, positioned flat on their backs, threading the lower hole on all beads. Turn thread's direction and rethread same holes of same beads, going in the same direction. Pull to tighten, beads should form a tight ring.

Start Here

STEP 2

2) Rethread original DM, pull to tighten. Diagonally cross the back of this same DM, then threading the outer hole of this same DM, moving clockwise around ring.

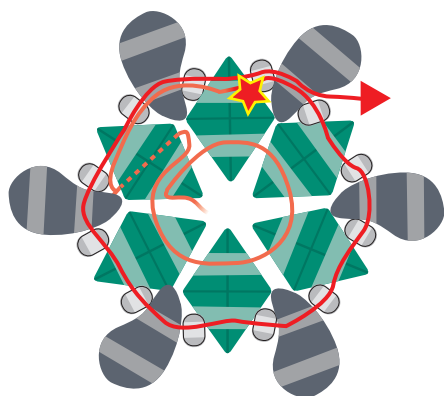

STEP 3

3) Add SB, ZR, SB. Thread adjacent existing DM using outer hole. Pull to tighten ring. Repeat this step 5 times, adding beads around circumference of beaded ring.

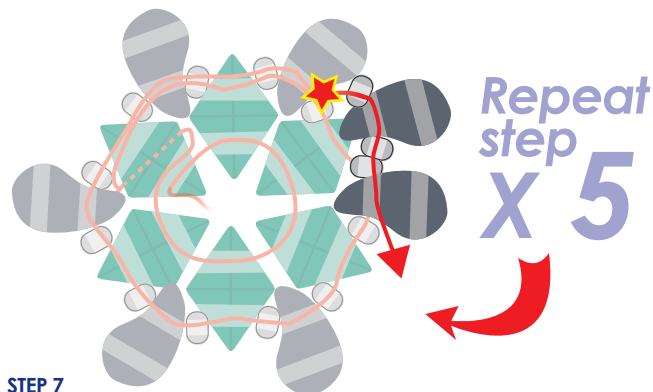

STEP 4

5) Rethread original SB and ZR, pulling thread to tighten beads.

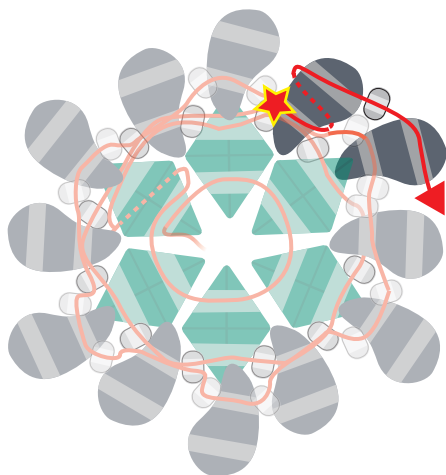

STEP 5

5) Add SB, ZR, SB. Allow these beads to rest on top of the DM below. Moving clockwise, rethread existing adjacent SB and ZR. Pull to tighten beads. Repeat this step 5 times adding second level of beads around circumference of beaded ring.

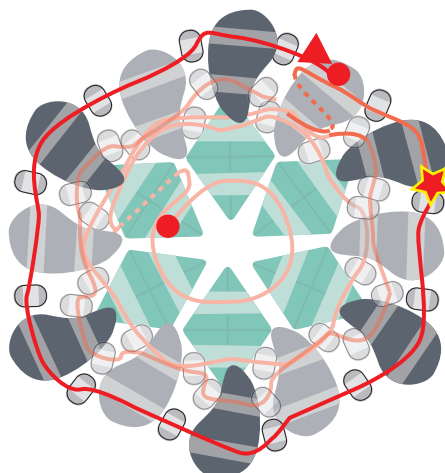

STEP 6

6) Rethread original ZR through lower hole. Diagonally cross the back of this same ZR, threading the outer hole of this same bead, moving in a clockwise rotation. Add SB, thread adjacent existing ZR using outer hole.

STEP 7

7) Add SB before proceeding into outer hole of adjacent ZR. Add SB between each ZR, moving clockwise around beaded ring. Once completed, tie half hitch knot with remaining thread. Pull knot inside adjacent ZR. Cut excess thread. Also knot and cut excess thread from tail, hide tail knot inside DM.

*Repeat steps 1-7
X 7
Medallions*

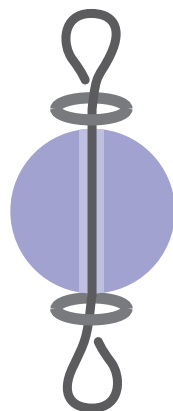

KEY

- ★ Entry Point
- Half-Hitch Knot
- Thread's Direction
- ~ Previous Steps / Tail
- ◇ = DiamonDuo Mini™ DM
- DIAMOND DUO Mini
- ◐ = ZoliDuo right side ZR
- = Seed Bead SB

Druk / Eyepin Connectors

STEP 8

8) Pull 1 eyepin through SR, DK, SR.
Close eyepin at both ends with round pliers.

Repeat
step 8

X 9

Druk / Eyepin
Connectors

KEY

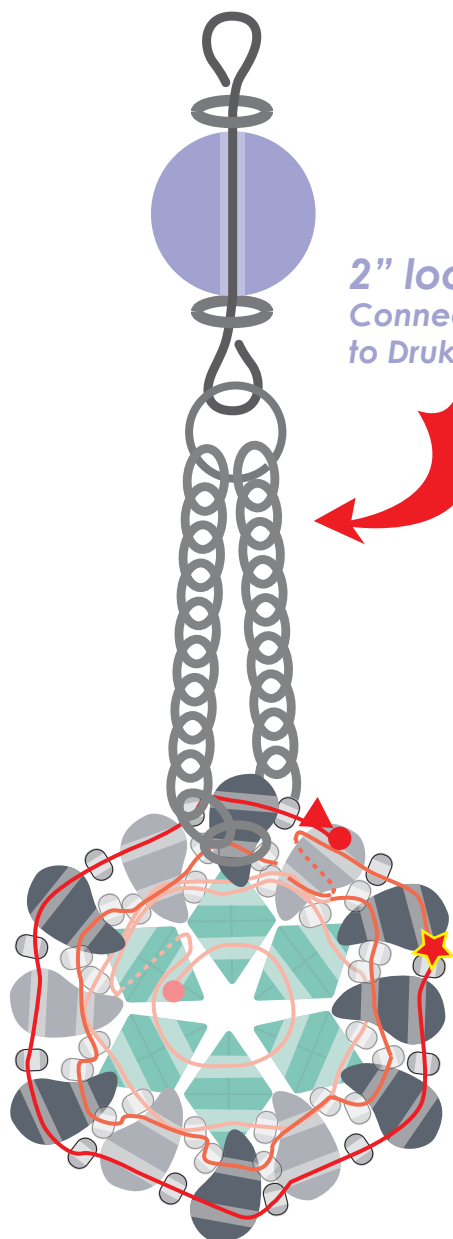

-  Entry Point
-  Half-Hitch Knot
-  Thread's Direction
-  Previous Steps / Tail
-  = DiamonDuo Mini™ **DM**
- 
-  = ZoliDuo right side **ZR**
-  = Seed Bead **SB**
-  = 12mm Druk **DK**
-  = Spacer **SR**

STEP 9

9) Close JR around eyepin of connector. Wrap 2" of chain around medallion (between ZR), then close at eyepin with JR. Medallions should be suspended from Druk / eyepin connector, using chain and JR.

STEP 10

10) **TASSEL:** Create 8 x 3" lengths of chain, attaching all lengths to Druk/eyepin connector at one end using JR.

2" loop of chain
Connects Medallions
to Druk Connectors

Necklace Assembly:
Attach Medallions
to Druk / Eyepin
Connectors, with
Tassel at One End,
Toggle at the Other.

Lariat Style Closure

Necklace Pictured with Less Medallions for Shorter Length Option.

STEP 11

11) Attach toggle to final DK / eyepin connector, using 2" of chain and JR.

STEP 12

12) Using JR, attach 24" of chain, doubled up, between the two segments of the nebula necklace:

one segment has 4 medallions / DK connectors / chain tassel, other segment has 3 medallions / DK connectors / toggle.

Necklace is closed in a lariat style around neck.
