*'B.Osis' Boucles d'Oreilles Design Finuccia Sefi Créations®*

## Material for two earrings :

- 4 Hearts Pastel FP SELECTION®
- 4 Cabochons Vintage FP SELECTION®
- 4 Daggers Constellation Transparent FP SELECTION®
- 4 Telos® par Puca®- Paris
- Seed beads Miyuki 11/0 (SB11)
- 4 Round Beads 4 mm (RB4)
- 1 Pair Ear wires of your choice
- 2 Jump rings
- Fireline 0.15

1) Insert 1 stop bead\* on your thread to make work more easy.

*\* Insert the thread twice into the bead so that it serves as a stopper for assembling the beads.*

Place 1 SB11 and pass through the Heart (arrow).

Place 4 SB11s and pass through the left hole of the Vintage Cabochon.

Place 3 SB11s and 1 Telos, left hole. Pull on the thread.

2) Insert 6 SB11s above Telos HERE (arrow) and pass through the right hole of Telos.

Insert 3 SB11s and pass through the other hole of Vintage Cabochon.

3) Insert 3 SB11s through the 1<sup>st</sup> SB11 before the Heart.

Pass through the 1<sup>st</sup> SB11 HERE (arrow) again, avoiding the stopper bead, and go through again in the other direction towards the inside of the Heart.

*The stopper bead is not part of the work ; it's used to hold the beads in place. At this stage, it can be removed simply by pulling it off. I choose to keep it until the end.*

4) Follow the red line and position yourself HERE (arrow) after the Vintage Cabochon.

5) Place 3 SB11s through the left inner hole of the Telos like this.

6) Place on your thread :

1 SB11,  
1 Dagger,  
1 SB11.

7) Enter again through the Dagger,  
the SB11, then the Telos.

In the center of Telos, place 1 RB4  
and insert it into the hole of the Telos  
to create this alignment of beads.

Do not pull the thread too tightly.

8) Repeat step 6 in reverse order on  
the right side of the work.

Position yourself HERE (arrow) inside  
the Telos.

Now, pull the thread taut.

9) Here is the result.

Insert 3 SB11s and enter through the Vintage Cabochon, then move back down towards the tip of the Heart.

Pass through the initial SB11 and let the thread end through all the beads to reinforce the work.

End your thread.

10) Add 1 jump ring in the arc formed by the 6 SB11s above the Telos.

Add the earwire of your choice.

Make the second earring and your "B. Osis" earrings are ready.
