PRECIOSA Rocailles
ART No.: 331 19 001
SIZE: 7/0, 8/0, 10/0

Make your own flock of sheep. Not only children love animals. They can nicely supplement your Christmas decorations and in spring they make a great Easter arrangement. It is entirely up to you how many ewes, rams and lambs you make.

Once again, you can make use of the full color and size range of seed beads from the PRECIOSA Traditional Czech Beads brand and combine them according to your imagination. The interconnected rings of strung rocailles create the illusion of tufts of fluffy wool. Thanks to the legs made of wire, you can arrange the flock of sheep according to your needs or attach them to various bases.

PRECIOSA ORNELA wishes you much inspiration, patience and joy from beadworking.

Difficulty: ●●●●●

Procedure:

The body

Interconnect circles of 5x or 6x beige **R8**. Use one of the right angle stitch techniques. Strengthen the inside with 2x **FPB2**.

The base:
String and tie off 5x **R8**.

Row 1:
The five circles are created from 6x **R8**. First connect 5x **R8** to the base, then string 4x **R8** three times and finally supplement the row with 3x **R8**.

Row 2:
Alternately sew the circles (10x) made from 5x **R8** and 6x **R8**. Start by sewing on 4x **R8**. Move them on the line and add 8x 3 **R8**. Finally, connect the row by adding 2x **R8**.

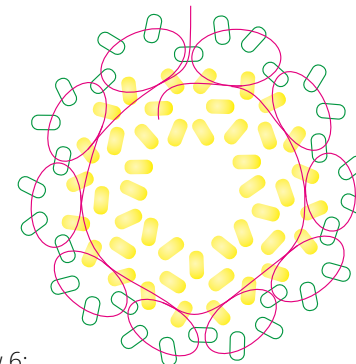

Row 3:
All of the circles (10x) are made from 6x **R8**. Begin by adding 4x **R8**, then add 3x **R8** 8x. Then connect the row with 2x **R8**.

Row 4:
Like the 3rd row. This row shifts by half a circle in relation to the previous one.

Row 5:
Like the 3rd row. This row shifts by half a circle in relation to the previous one.

Row 6:
Alternately sew the circles (10x) made from 5x **R8** and 6x **R8**. Start with 4x **R8**. Continue with 2x **R8** and then 3x **R8**.

Use this repetition 4x. In the end, connect the row with 1x **R8**.

Row 7:
Sew circles (5x) made from 6x **R8**. Add 3x **R8** and then 2x **R8** and then repeat the whole thing 3x. Connect the row with 1x **R8**. The body is elongated, so insert 2x **FPB2** inside before you connect the row.

Completion:
Connect the top rocailles from the previous row (5x **R8**). Sew in the line.

The head

Also connect the circles made from 5x R8 and 6x R8. Use the right angel weave stitch.

The base:
String and tie 5x R8.

Row 1:
It consists of 5 circles made of 5x R8.
Connect 4x R8, then add 3x R8 three times.
Connect the row with 2x R8.

Row 2:
It consists of 5 circles made of 6x R8.
Connect 4x R8, then add 3x R8 three times.
Connect the row with 2x R8.

• eyes, muzzle

Row 3:
It consists of 5 circles made of 5x R8.
Connect 3x R8, then add 2x R8 three times.
Connect the row with 1x R8.

Completion:

Connect the top rocailles from the previous row (5x R8). Sew 1x FPB1 onto the circle.
Pass the line to the central row (the 2nd row).
Sew 1x FPB1 onto one circle (the eye).
Pass through this row, leave out one circle and sew the second eye onto the next one (1x FPB1).

The neck

Zigzag to the circle made of 5x R8 on the lower side of the head in the 1st row.
Sew it together with the circle made of 5x R8 from the second row on the body.
Use the right angle weave stitch. This time, the circles only consist of 4x R8. Add 1x beige R8 between the head and the body.

or

The feet

Thread the wire through two circles made of 5x R8 from the 2nd and 6th rows in the lower section of the body. Thread 8x R8 and 1x black R8 onto the end of the wire.
Create a loop. Shape the legs.

The fleece

String two arches made of 4x R10 over every R8. You can sometimes leave out one arch (the chest, rump). Do not sew the arches above the R8 on the back and abdomen at all.
In the case of the head, only sew the arches in the rear section by the scruff of the neck (an example of the head and part of the 1st row).
