Tango™ Star Bracelet

Step 1

Starburst

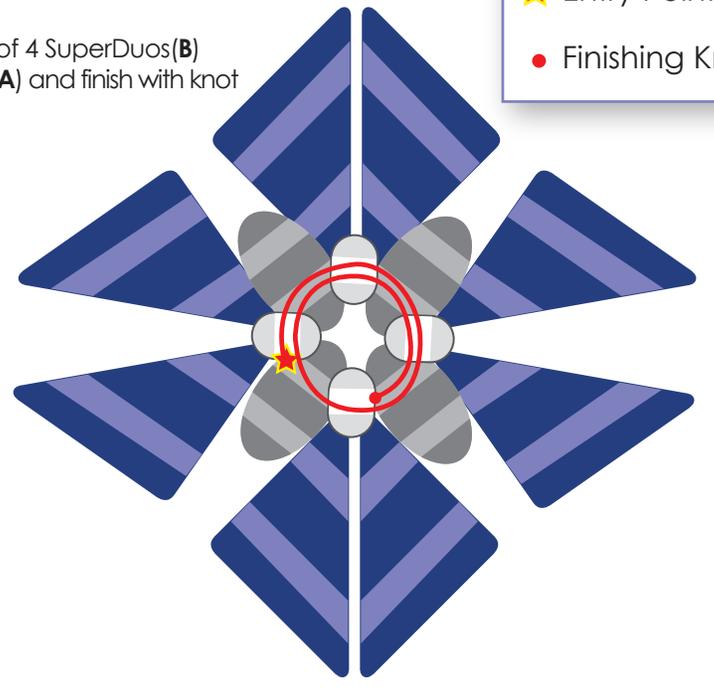

Thread inner holes of 8 Tango (C) beads with outer holes of 4 SuperDuos (B), leaving a 7" tail at the end

Step 2

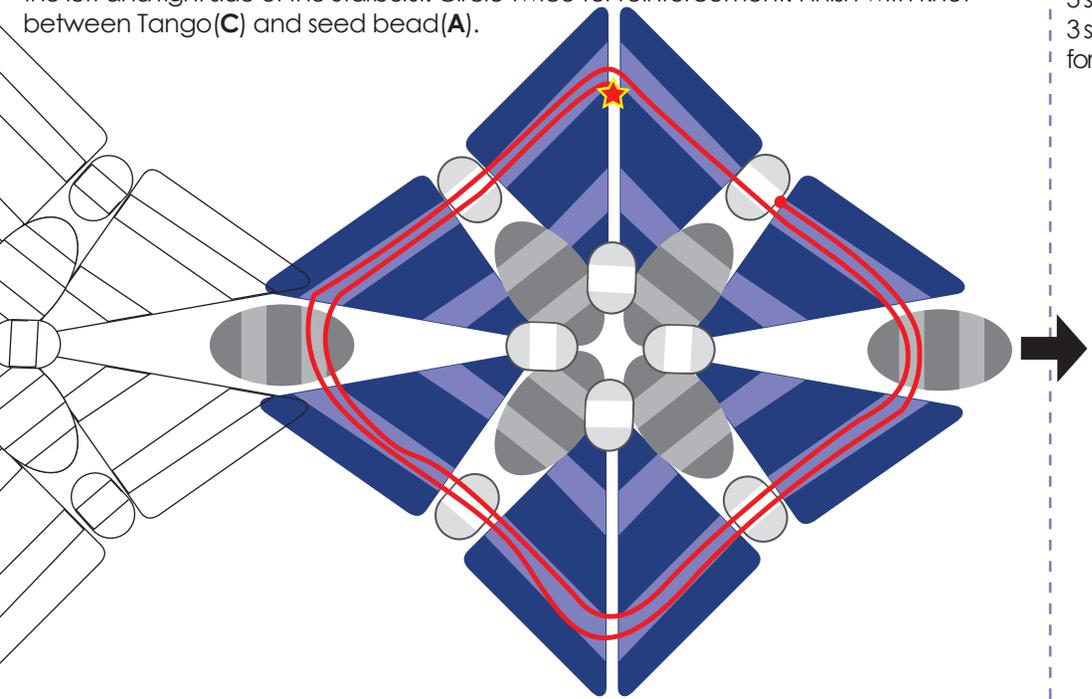

Using 7" tail, Thread inner hole of 4 SuperDuos (B) with 4 seed beads (A) and finish with knot

★ Entry Point
● Finishing Knot

Step 3

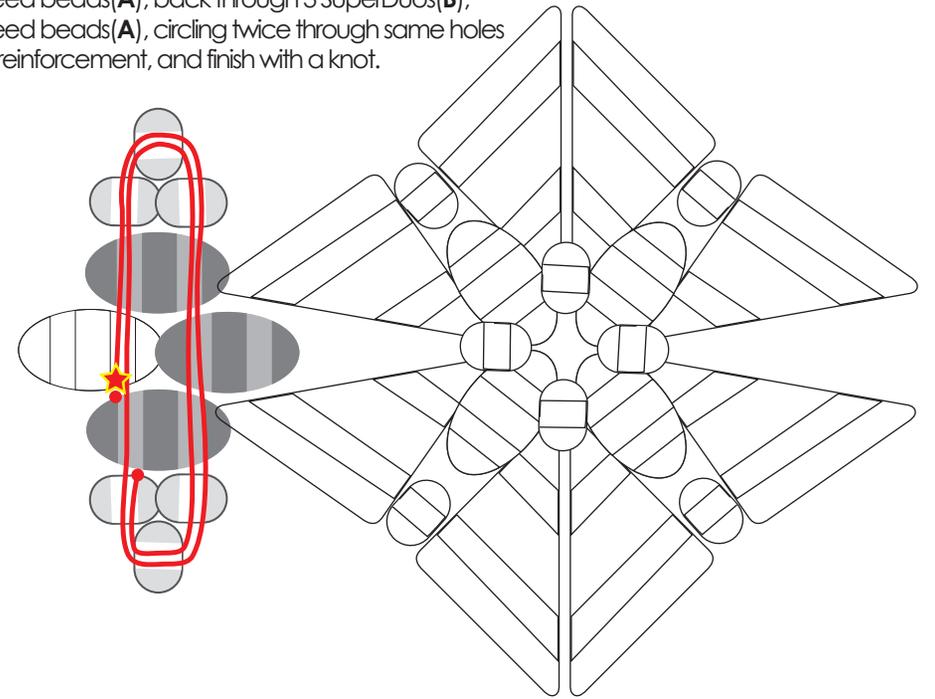

Using 36" length, in a counter-clockwise direction, thread outer holes of 8 Tangos (C) with 4 seed beads (A), inserting 2 SuperDuo (B) beads between the 2 Tango (C) beads on the left and right side of the Starburst. Circle twice for reinforcement. Finish with knot between Tango (C) and seed bead (A).

Step 4

Connector

Thread circuit of SuperDuos (B), 3 seed beads (A), back through 3 SuperDuos (B), 3 seed beads (A), circling twice through same holes for reinforcement, and finish with a knot.

Step 5

Repeat Steps 1-4 x 5 times

Joining 5 Starbursts to Connectors

★ Entry Point

● Finishing Knot

Step 6

Finish with Toggle

Attach wire through outer hole of SuperDuo(B) on starburst, attach to jumpring(D), attach to toggle(E) at both ends.
